

Line Cleaning Help

Line Cleaning - Slow Or Stopped but the Gas Pump is ticking as normal
MULTIPLE LINES

Instruction 1

Do the Cellarbuoys keep emptying? If so please call Innservice directly.

Instruction 2

Do you have InnCool, Coil & Foil, Lancer Cooler, or did you turned the Cooler off prior to cleaning;
If you have an extra cold cooler, it must be off 2hrs prior to the clean, and beer must be drawn back into the line before its turned back on
